

Zead Alrouasheed

SOFTWARE ENGINEER, WEB DEVELOPER

Riyadh, SA | 0506054839 | zeadalrouasheed@gmail.com

About

Highly motivated Software Engineer with a passion for coding and problem-solving. As a full stack developer, I have applied my knowledge in several projects, demonstrating my ability to work with both front-end and back-end technologies. I am always eager to learn and contribute to innovative projects, leveraging my skills and expertise to deliver high-quality software solutions.

Experience

McKinsey & Company | Forward Program

Jun 2023 – Dec 2023

During my 6 months internship at McKinsey & Company Forward Program, I enhanced my soft skills through engaging projects and mentorship. I developed effective communication, teamwork, and problem-solving abilities, preparing me for success in my career.

Shaguf | Linear Algebra Teacher

Sep 2022 – May 2023

I covered a range of important topic in Linear Algebra. vector spaces, matrix operations, determinants, and linear transformations. These topics provided students with a strong foundation in the subject.
